About Me

I'm a **Computer Science Student** with a strong interest in software development, algorithms, and problem-solving. I enjoy coding, exploring new technologies, and working on projects that challenge me to think critically. My goal is to build innovative solutions that make a difference. Currently, I'm learning Web Technologies and Programming Languages like c++,java and python,.etc, and I love collaborating on tech-related projects.

Education

Bharathiar University - BSC
